Hi (b) (6) ,

Attached please find the 4th Quarter FOIA report to the best of my ability. The information provided contains all but 4 of my lower echelons information. I figure they were waiting for the last moment to provide it to me and then were affected by the shutdown. 2 of the four are two of my larger FECs and their numbers are usually significant however, I have provided what I could to the best of my ability. Thanks much and have a great weekend!

Very Respectfully,
